

Biker Wales Night at the Found Out Inn

The good folks at the Found Out Inn have been kind enough to give us a room to meet with snacks and entertainment. Come along and join us for a Biker Friendly night every Monday from 7.30 to 10.30 when we can have a nosh, a chat and a drink and watch some great biker vids. [Click here for directions](#)

This Monday's special "Swap Shop" night went well and we had a good turnout even some of the usual suspects were away in Spain.

Crashy made a valiant effort to get into someÂ bijoux leather jeansÂ (ripping sounds heard from the toilets). My2ono and vtrandria sealed their deal with a kiss (sorry folks, forgotÂ my camera). Tintin ran (OK hobbled) off with some very ungentlemanly boots. T.mac went off with a laptop hope he had the instruction manualÂ with itÂ :)
