

New - Send message to the site from your mobile!

Want to tell all your mates about where to meet up?
Want to warn them about a mobile speed trap?

Well now you can!Â Text a message to the site from your mobile for your standard text rate (e.g. nothing if you've got freebies like those tightwads bomber and stuartf)

To send a message to the shoutbox start your text with biker then your nickname followed by your message (e.g.:
biker stuartf having a wonderful time wish you were here

To report a speedtrap, start your message with biker speed, then type the location and message e.g.:
biker speed brecon gatso van in town centre

Make sure you leave a space between each word, then send your message to 07786 200350 and we'll all be able to see it within a few seconds!!

PS you can even view the messagesÂ when you're out and about using a WAP Mobile Phone by browsing to:Â <http://www.bikerwales.com/wap>
If you want to seeÂ how thisÂ worksÂ onÂ a mobile phone try it out on the Wap Phone emulator
