

## 2nd Annual Biker Wales Indian Summer Rideout, Sunday 30th Sept

Another successful mission thanks to a tight formation held together by Wingco Bumpkin and Rear Gunner Bomber, with assistance from Group Captain Stewie and Biggles.

Keeping low under enemy radar we carried out successful food raids on Crossgates, Machinations Cafe and the West End Cafe and got back to blightey safely without any prangs or points (!) just in time for a hot cup of Biggles' home made Minstrels and Special Brew cocoa.

Check out who wasÂ thereÂ and put names to the faces inÂ this 3d panorama. More pics and video on the way and in the Biker Forum!
