

## Easter Monday Rideout 2008

We had a good turnout for our annual Easter Monday Rideout. A satisfying 200 mile round trip of South and Mid Wales, with a tiny excursion into England to take in the Coleford Festival of Transport.

Thanks to Dave Redhunter for a great route with plenty of twisties and just a hint of gravel to keep us on our toes :)

Check out the video [here](#), and if you fancy riding it yourself check out our [route maps](#) section.
