

## Biker Wales Christmas Do 2008

The Biker Wales Christmas Do was another great success, and we also achieved a perfect break - £147 raised for the Air Ambulance thanks to Biker Wales members and the staff and customers of the Bryn Lliw, Grovesend, Swansea.

Throbber, Stewie, Bomber, Grinch, T.mac, Fisher, Chaz and Fuzzrr all had the dubious pleasure of receiving Biker Wales Outstanding Achievement Awards. They'll all be more careful next year.

The Karaoke was down to its usual standard, and the Quiz was carried out under rigorous conditions - although it seemed like phone a friend was unusually popular with the winning team.

A big thanks to Carol and her staff for the great service and food, Stewie and Fish for selling all those raffle tickets, everyone who donated prizes and money for the raffle, and all the people who came and joined in. PS If you want to see what you missed, check out the video [here](#).
