

## Bobath Rideout August 16th. 2009

Loads of Biker Wales members turned out for Claire Hagan's fundraising rideout for Bobath Children's Centre on Sunday August 16th. We had a superb ride round mid and West Wales andÂ nobody got lost! Clare was also kind enough to organise a barbecue for us all at the end and a very good time was had by all.

"I'd like to thank every one who came and donated money to Bobath Childrens Centre. It was an amazing sight to look behind whilst riding to see 20 bikes and riders in tow. We definitely turned heads. So a big pat on the back for all who came and hopefully the next will be bigger and better. My daughter hasn't stopped talking about seeing all the bikes and racing one of them and won! You're all stars in our eyes as we raised £305, thanks to you all!"
