

Dave's Fish and Chip Run

As winter was nearly over we braved the weather for a brisk spin to Llandovery and Abergavenny for fish and chips, and had a great welcome at the Owl's Nest on the way. As you can see from the video only the elite members of the squad made it out - the gremlins were afraid of getting moist.:)

Watch this space for Dave's next Fish and Chip Run coming soon, and, in the meantime, why not join the fogeys who are usually out on a Sunday morning - or just set up your own rideout - see Events and Rideouts section in our forum.
