

Bethlehem Rideout 2011

We had a good turnout for our trip to Bethlehem (Carmarthenshire that is) to make the most of our Indian Autumn weather, get the Christmas Cards stamped with the Bethlehem postmark and partake of some Christmas Fayre.

Good to meet up again with some members we haven't seen out for a while including Throbber, philevans and Don and Ann.

NB the wobbly bikecam footage has been digitally enhanced to make it look as if the fogeys can drive fastish. Check out the video [here](#).
