

## 10th. Birthday Indian Summer Rideout

Lots of new friends and old friends turned out to help us celebrate on our 10th birthday Indian Summer Rideout. We took a hook around the west coast, calling at Llys y Fran reservoir on the way, and Porthgain for a chips in a box stop, wiith just the slightest hint of grass and gravel en route to keep the beemers happy.

We had to miss out Tenby on the way back as the 'weather front' closed in with more than a vengeance. Thanks to Dave and Stewie for the route, Dave and Bumpkin for leading and everyone who turned out (and got pretty wet). Check out the video on our YouTube channel.
